R. Ramachandra Rao Bhombore,
PRESIDENT.

City Municipal Council,
Mysore.

No: PC.307/1. 3rd May, 1944.

My dear sir,

I am in receipt of your D.O. letter No.PC.90 dated 30th March 1944 forwarding a copy of letter No.SD.6194.A 104-43-65 dated 15th March 1944 from the Secretary to Government, Development Department (Supplies) stating that "the question of granting allowance to the Deputy Commissioners of Districts for food work is not under the consideration of Government now." My request for an allowance was not only in view of the responsible and arduous nature of rationing work but also on account of the frequent inspections of Depots and Offices which are very essential for their efficient working. Almost everyday, I have to take up some inspection or other, connected with rationing. The office work is also becoming very heavy in view of the fact that the City Rationing has now its own Central Depot and Emergency Depots in the several Mohallas. The enclosed statement will show that the President of the Municipality has already very tight work and unless he devotes out of office hours and works at a strain it will not be possible to discharge the duties of the Chief Rationing Officer in a satisfactory manner.

I, therefore, request you once again kindly to recommend a special allowance of Rs.100/- per month in view of the above circumstances. If a special allowance cannot be granted, a conveyance allowance of Rs.100/- may at least be sanctioned in view of the heavy cost of maintenance of my conveyance which I use mostly for inspections connected with rationing in the city.

In the case of Deputy Commissioners of Districts they get travelling allowance of not less than Rs.150/- per month which enables them to meet the cost of maintaining a conveyance. The President of the Municipality gets no such T.A. Further, Government have been pleased to grant conveyance allowance not to

speak of duty allowance or deputation allowance to the Gazetted Officers working in the Food Supplies Department. It may therefore be seen that there is every justification for granting me at least a Conveyance allowance of Rs.100/- per month and, I, request you kindly to recommend for its sanction.

With kind regards

Yours sincerely,

B.S.Raghavendra Rao, Esq., M.A.,(Hons).

My dear Mr. Noronha,

Adverting to your letter No: SD.6194/A.104-43-65 dated 10th March 1944 regarding the grant of a special allowance to the President, City Municipal Council, Mysore City for rationing work, I am forwarding herewith an application dated 3rd May 1944 from Mr. Ramachandra Rao Bhombore, President, Mysore City Municipal Council requesting that in the circumstances stated, he may be kindly given a special allowance of Rs. 100/- per month.

2. In this connection, I wish to state that the Deputy Commissioners who are now doing food supply work in addition to their normal duties and also attending to the distribution of rationed articles in their districts, are not getting any special allowance and the grant of an allowance to the Municipal President, Mysore for being in charge of rationing work may raise similar claims from the districts.

3. It is however true that the addition of the duties of the Chief Rationing Officer to the Municipal President really involves extra work and the request of Mr. Ramachandra Rao Bhombore for an allowance, from this point of view deserves favourable consideration.

Yours sincerely,
